

NHS Sports Boosters Club – Become a Member!

The Novato High School Sports Booster Club is a non-profit organization comprised of dedicated parents, guardians, alumni, coaches, teachers, school administrators, and community members. The Sports Booster Club supports ALL teams and athletes at Novato High School.

Our mission is to enhance the experience of ALL student-athletes by promoting financial and community support for the overall sports program.

Our goals and objectives are to:

- Help maintain and improve the athletic facilities at Novato High
- Support and recognize the efforts of our teams and athletes
- Have on-going dialogue with the community, increasing awareness of Novato High School athletic programs and events

Membership in the Sports Booster Club is the most important way that parents and friends of Novato High School sports can support our student athletes. All fees collected through the membership process will go into the Novato High School Sports Booster Club general fund.

Annual membership dues pay for initiatives that help all sports such as:

- New equipment for strength and conditioning programs + facility upgrades
- Practice field improvements such as safety netting for lacrosse, soccer, and track & field
- Annual student-athlete scholarships
